

Injection Molded

Poly-Tainer™ Cans (pictured)

- High strength and rigidity
- Available in #1 to #6 sizes
- Square, squat, and round shapes

Poly-Tainer™ Baskets (not-pictured)

- Most rugged of injection-molded
- Available in sizes up to #20
- Convenient handles

Accelerator®

Accelerator® Containers

- Advanced air root pruning
- Vertical corrugations provide denser, more uniform root mass and eliminate root circling
- Liner roots develop more quickly and reduce need for over-wintering protection
